i'm exited that
youtube is the
second largest
search engine
in the world

it makes so easy
for content
creators to share
their content with
a large audience

youtube can
help to gain
new
customers

obscurity is
one of the
biggest
drawbacks .

benifits from
long term
creator-
audience
relationship

in
appropriate
content all
over the site

we have ideas
about technology
reviews and
motivational
channels

optimizing
profile,
recording
quality

untapped
potential
may help to
convert viewers
into subscribers

why some
browsers do not
support newer
video format or
quality options?

why internet
connections
issues are
occured?

what is on
youtube
buckect list?
